
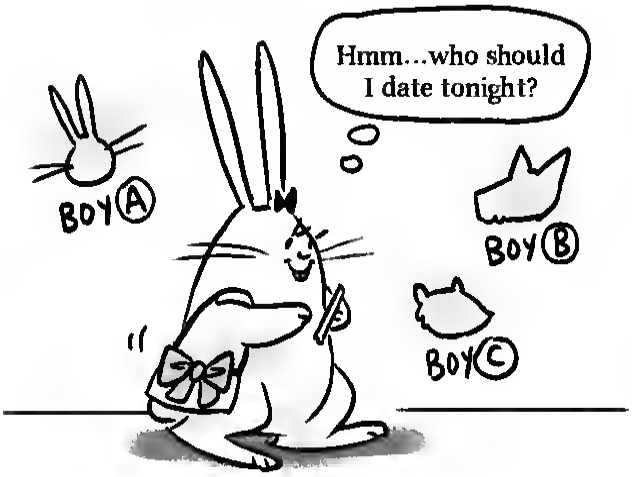
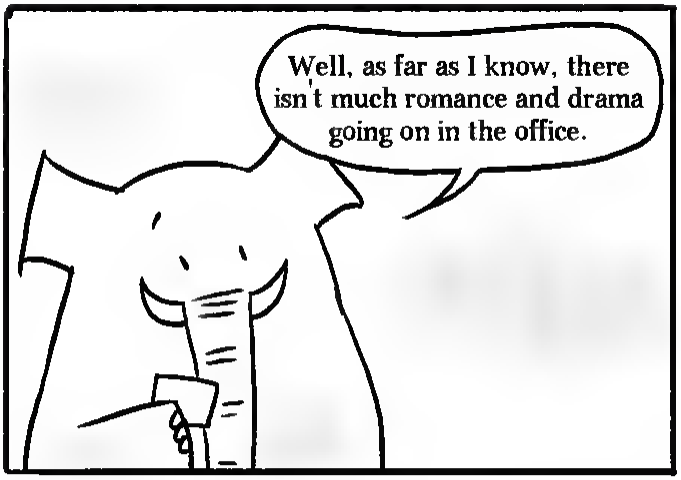
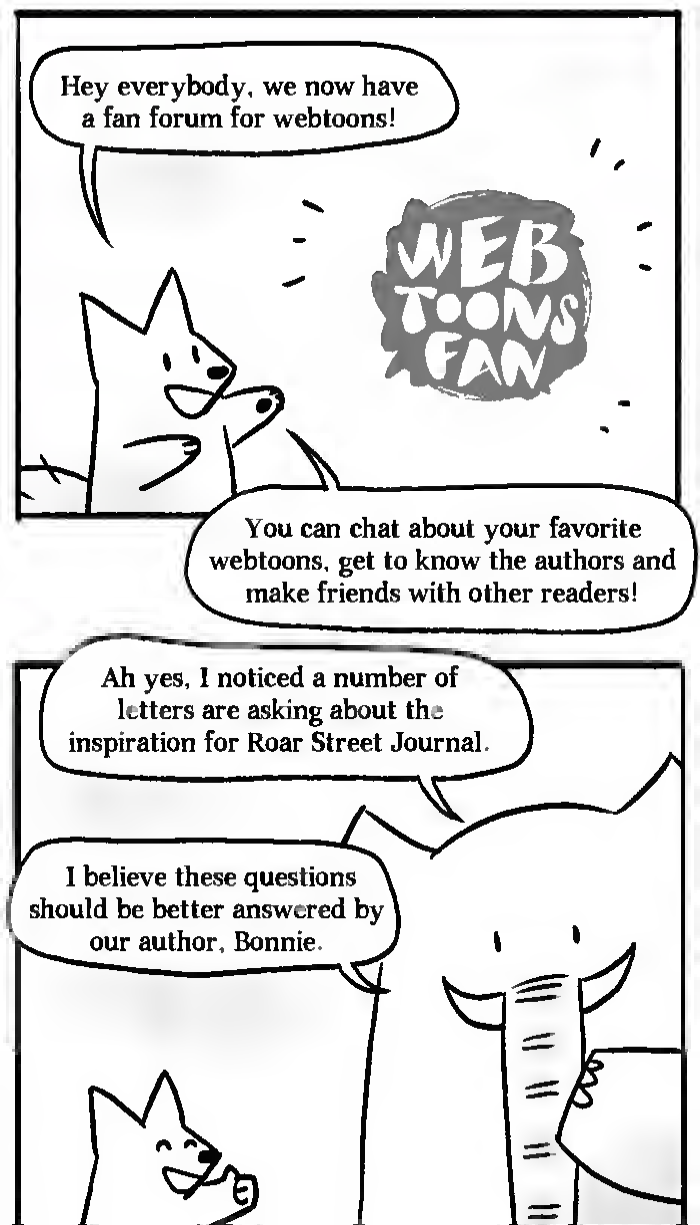
How well do you know each other?

Tiffany has quite a lot of romantic interests, but they are outside of RSJ.



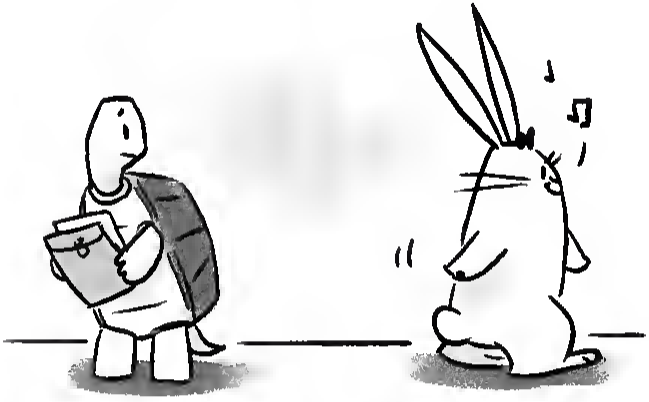


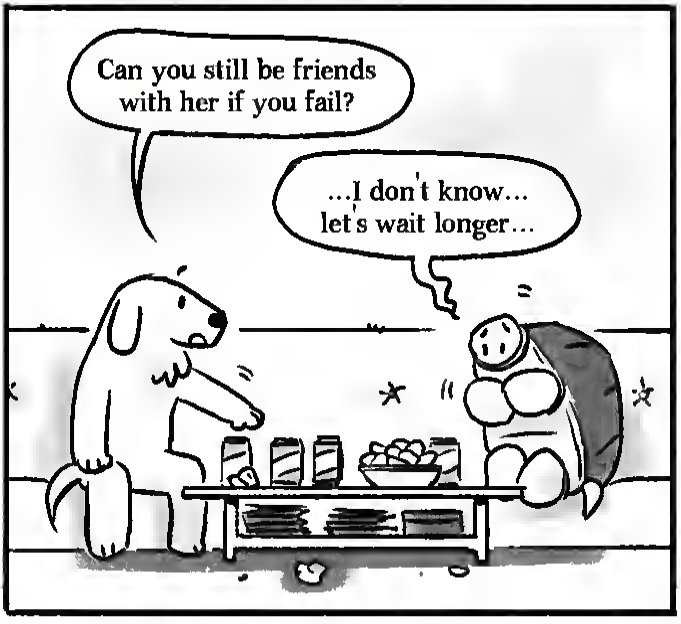
Leo, Cheetah-B and Foxy are really good friends.



Hey everybody, we now have a fan forum for webtoons!
WEB TOONS FAN
You can chat about your favorite webtoons, get to know the authors and make friends with other readers!
Ah yes, I noticed a number of letters are asking about the inspiration for Roar Street Journal.
I believe these questions should be better answered by our author, Bonnie.

Tortis...he seems to be quite fond of Tiffany.





Can you still be friends with her if you fail?
...I don't know... let's wait longer...

Dear Safira, Kevin, and all readers who are attending national exams, you have studied and prepared hard, so just go ahead and give your best.
Instead of feeling fear, you can view it as another practice in your studies, or treat it as an exciting challenge.

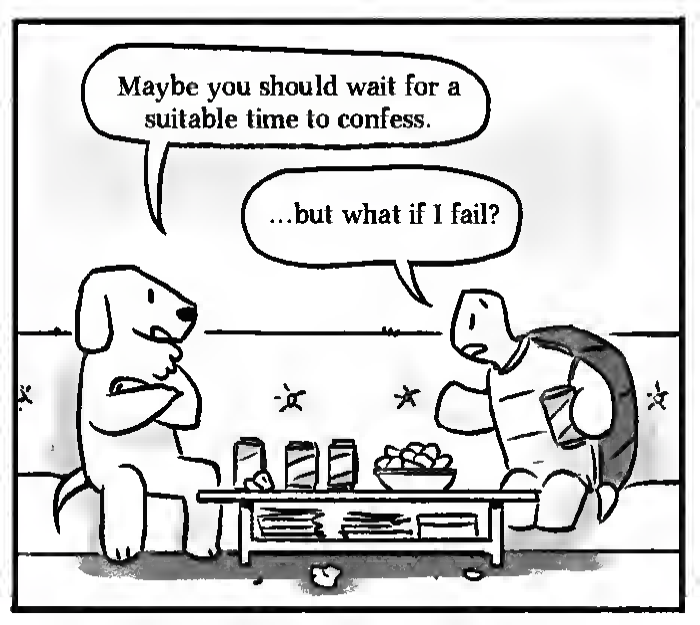
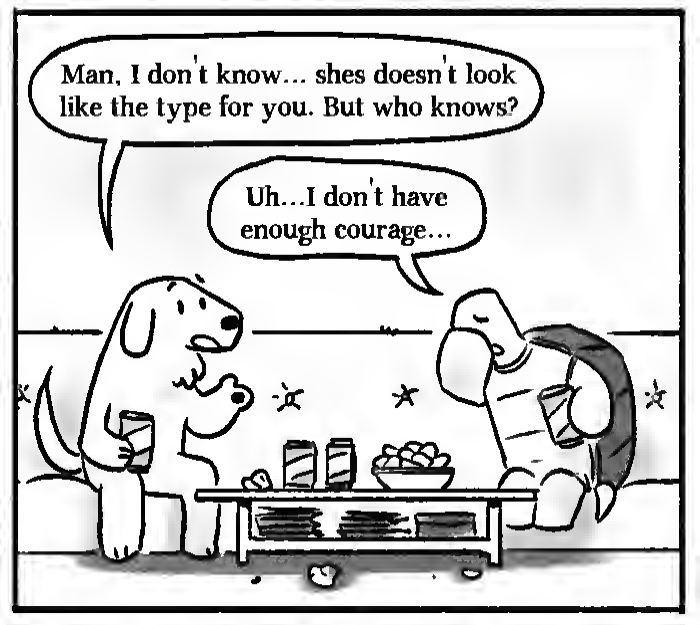
BAM



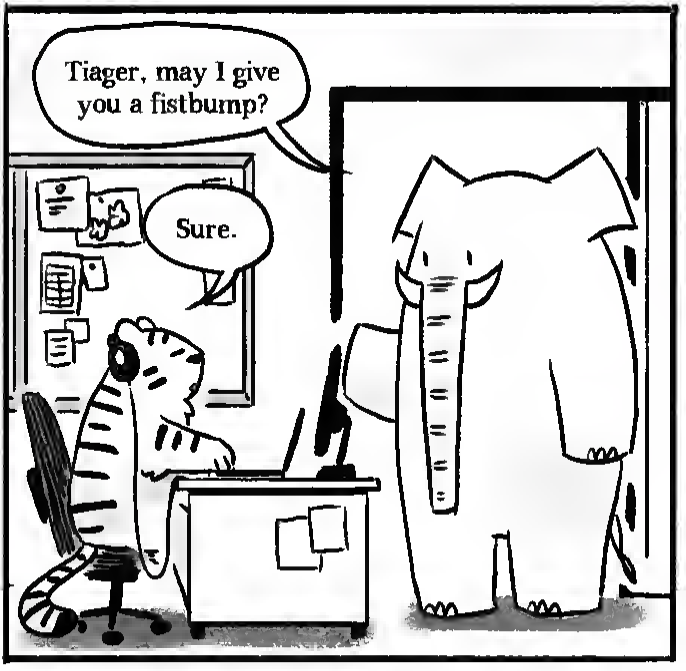
Maybe you should wait for a suitable time to confess.
...but what if I fail?

Have you discussed it with a close and trust-worthy friend?

How big is the risk of confessing?



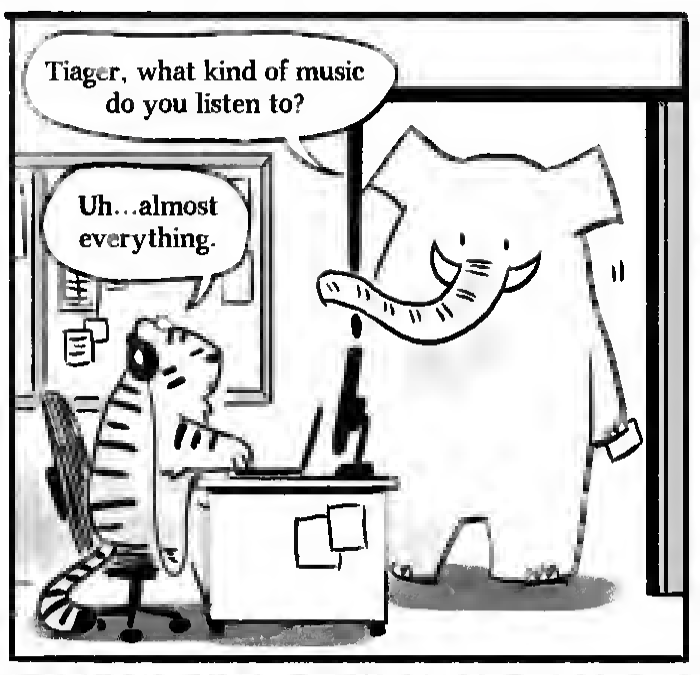
Man, I don't know... shes doesn't look like the type for you. But who knows?
Uh...I don't have enough courage...



Tiager, may I give you a fistbump?
Sure.

touches lightly

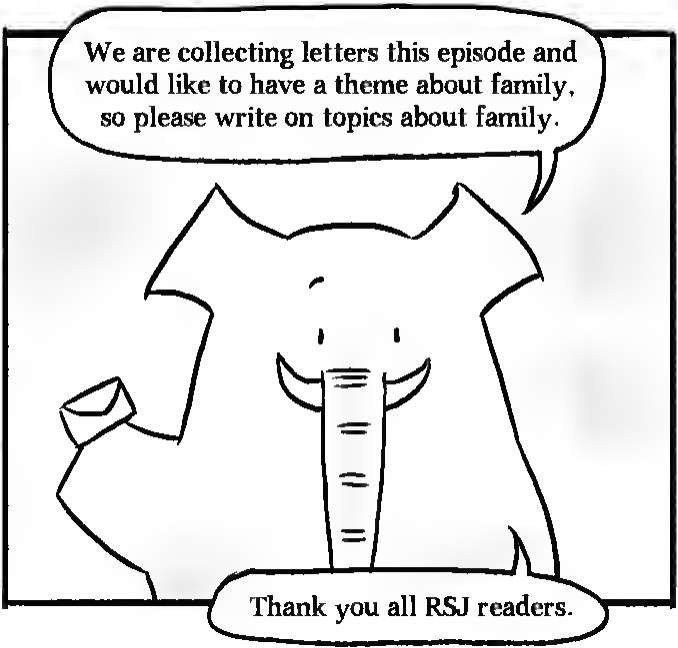
You can ask about her art and inspirations at her forum virtual room!



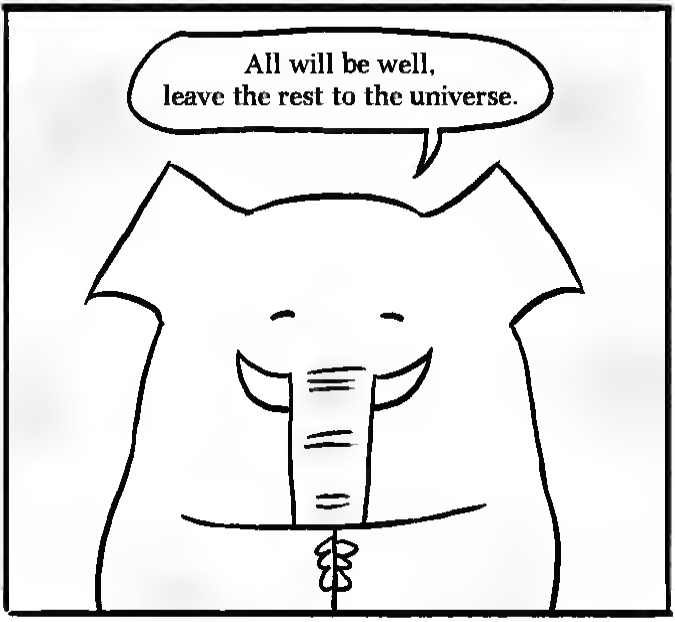
Tiager, what kind of music do you listen to?
Uh...almost everything.

...I have a collection of different music.

Anntelope and Allie have their own families and children.



We are collecting letters this episode and would like to have a theme about family, so please write on topics about family.
Thank you all RSJ readers.



All will be well,
leave the rest to the universe.
